

Declaration

I, Anthony Bush Castro, do hereby declare that the dissertation titled **“Comparative Performance of Random Forest and Conditional Random Fields Models for Named Entity Recognition Using the CoNLL-2003 Dataset”** is my original work under the guidance of Dr. Manzu Gerald S. KENYI, Ph.D. This project has not been submitted to any other institution or University for any degree or diploma. All sources of information used in this project have been duly acknowledged. I affirm that the content presented herein is the result of my own research efforts and analysis.

Student's Name: Anthony Bush Castro
